- 1** Depress the push button and pull the lower leg to the highest height.
 Insert each leg tube (A) into the seat (C). (Caution : for secure installation, make sure the button on each leg is fully engaged to the hub on the seat).

- 2** Put tube (F) on (E) in the cross position and then screw tube (F) on (E) with parts (H) & (I) in the center. As shown in partial magnified figure, screw parts (H) & (I) with leg tube tightly.

3 Assemble the backrest into back tubes. (caution : for secure installation, make sure the button on each tube is fully engaged to the hub on the backrest).
Fix the four points of tubes **D** onto seat with part **H** & **I**

Caution

- ⦿ Read instruction before assembly.
- ⦿ Please check before assembling if the parts quantities are correct.
- ⦿ Should be checked before each use to make sure it is securely assembled. Reinstall if necessary.
- ⦿ Max User Weight 227 kgs
- ⦿ Do not sit alone on the corner of the seat to avoid injuries.
- ⦿ Loosely install each screw one by one firstly. Once all screws are inserted, tighten all screws fully.
- ⦿ Mobilita assumes no liability for any damage or injury caused by improper assembly or use of this product.

Warranty

Your Mobilita branded product carries a limited warranty to be free from defects in material and workmanship. Applicable to the original purchaser only.

This device is built to exacting standards and carefully inspected prior to shipment. This Warranty is an expression of our confidence in the materials and workmanship of our products and our assurance to the consumer of years of dependable service.

This warranty does not cover device failure due to owner misuse or negligence, or normal wear and tear. The warranty does not extend to non-durable components, such as rubber accessories, casters, and grips, which are subject to normal wear and need periodic replacement.

If you have a question about your Mobilita device or this warranty, please contact an authorized Mobilita dealer.
